**RE: 3Degrees 2018 REC Procurement Report**

Dear Ms. Cook and Mr. Lanphear:

In 2012 and 2016 3Degrees Group, Inc. (“3Degrees”) was selected by the Maine Public Utilities Commission (the “Commission”) as the party to supply Renewable Energy Certificates (“RECs”) and services related to the Maine Green Power Program. 3Degrees executed agreements in 2012 with Bangor Hydro Electric Company, Central Maine Power Company and Maine Public Service Company to provide Maine Green Power RECs and services until March 31, 2016. 3Degrees renewed those agreements with an effective date of April 1, 2016 with Emera Maine and Central Maine Power Company to provide additional Maine Green Power RECs and services until 2020.

Pursuant to Section II(8) of the Scope of Services Obligations related to the Maine Green Power Program for each of the contract periods, 3Degrees is required to submit to the Commission its REC Procurement Report on an annual basis.

This letter and the attachments constitute 3Degrees’ REC Procurement Report for the calendar year 2018 (the “Report”). The Report includes the following sections: (1) Total Energy Usage by Program Participants, (2) Total Revenues Collected from Program Participants, (3) Quantity of RECs Purchased, Retired, and Aggregated, (4) Evidence of the Retirement of RECs, and (5) Total Cost of REC Procurement Activities.

Should you have any questions or would like to discuss this Report, please contact me.

Regards,
